Sponsorship & Exhibition
Prospectus

October 26, 2021

Pavilion 10, EXPO TEL AVIV

Dear friends and colleagues,

Following the success of the previous IMVC Conferences in the field of Vision for Academy and Industry in Israel, we are pleased to announce The **12th Israel Machine Vision Conference and Exhibition** on Computer Vision and Machine Learning (IMVC) that will take place on October 26, 2021 at the EXPO Tel Aviv.

The goal of IMVC is to bring together the best experts, along with the entrepreneurs, thinkers, developers and engineers to meet in Tel Aviv to discuss a wide range of technology and business issues, ongoing trends and new applications in the field.

Don't miss the opportunity to be a part of this event and we look forward to your support.

INFORM THE MARKET

The Vision industry blusters with rapid development, new players entering the arena and investors looking for the next big thing. Enhance your visibility and make this event your platform to take your business to the next level.

EXPAND YOUR KNOWLEDGE

IMVC will allow senior manufacturers, developers, visionaries and investors to exchange ideas, initiate cooperation and fertilize each other toward the upcoming developments. Be there to be updated and lead this process.

We thank you for your support and look forward to welcome you at IMVC 2021.

Dr. Chen Sagiv and Dr. Jacob Cohen

The 12th Israel Machine Vision Conference & Exhibition

October 26, 2021 | Tel Aviv, Israel

WHY SPONSOR?

IMVC 2021 is the 12th conference to be held in EXPO Tel Aviv. Over the years the conference has been established among the communities of researchers and engineers in the fields of computer vision, machine learning, software engineering and algorithms, as the place in which the most significant, revolutionary innovations that impact our everyday lives are presented.

IMVC is known today as the best event to offer both industry and academic expertise, and the opportunity to get in touch with state of the art technology in the field of machine vision, and meet in person the most influential people in the future of technology.

IMVC reputation has grown over the years to attract representatives of venture capital funds and companies from Israel and abroad to take significant part of the IMVC exhibition.

We are proud to showcase at IMVC a diverse fascinating exhibition hosting giant companies as Intel alongside small start-ups. International companies as Samsung alongside Israeli companies as Rafael. Thus presenting at IMVC exhibition allows unique interaction dedicated to discuss innovative technology directly with companies' developers themselves and pick into the brain behind the most innovative ideas.

Join us this year and be at the right place to network and expose your brand and products to a highly relevant audience.

TARGET AUDIENCE

Researchers, engineers and managers from diverse fields:

Technology leaders, CTOs and CEOs; Algorithm developers, software and hardware engineers; Researchers and advanced degree students at universities and colleges; Defense industries; Security companies; Medical device companies; print Industries; process control companies (Inspection); Wireless and cellular technologies; Gaming; Internet companies; Camera manufacturers; Optics companies; Sensor manufacturers; IDF and Security Services technological divisions.

NETWORKING EXHIBITION

An exhibition booth at IMVC 2021 will enhance your company's exposure allowing the many participating potential customers, business people, investors, etc. direct access to your company/organization's message, products and services.

The IMVC 2021 Exhibition is an integral part of the Conference in EXPO Tel-Aviv, held on October 26, 2021. The conference's coffee breaks will be served within the exhibition area.

Distribution of IMVC delegates by job description

Distribution of decision makers among IMVC participants

TECHNICAL EXHIBITION

The technical program will be complemented with a technical exhibition, which will be held on October 26, 2021 offering companies and agencies a unique opportunity to visit Israel and present related products and services in display and printed advertisement.

We have no doubt you will find IMVC conference and exhibition a great experience and exceptional marketing opportunity and we look forward to your support and participation.
